November 2011

Dear Associate

I hope you are well.

As agreed at the Mercy Associates' National Commission meeting in September, 8 Regional Days have been planned for 2012 to further our spiritual development. A working party met, discussed and decided on dates and venues for those days. The theme this year is: 'Catherine and the Eucharist'. Regional / Retreat days will be delivered by Sisters and Associates. A copy of dates and venue details is enclosed.

There will be no charge for the Day but transport cost will be the responsibility of each group. Please bring a packed lunch, unless otherwise stated. Where this is not allowed, a light lunch will be provided – without charge. Refreshments on arrival and during the day will be provided at all venues.

I look forward to attending as many venues as I can and meeting some of you there.

Best wishes

*May Raughter*

National Commission Secretary
